

JOHN JANES

Effective December 31, 2020, John will be leaving the Retirees Club board of directors.

John has been instrumental in preparing the monthly Techie Column for **10+** years, and continues to help us with technical computer glitches. His expertise has been welcomed over the years, and he will be missed.

Thankfully, John will continue to help us each month transmitting the newsletter and mailing list to our printer, as he will remain a consultant to the board when we need him. He helped set up our computer, printers and phones at our new office this past summer.

John is a most pleasant and knowledgeable computer expert who not only helped the club keep its computer operational but would also help Club members with their computer problems.

John's position as a Senior Systems Engineer in the technology department for Ceridian, will remain and we wish him well.

THANKS, John, for all you've done for the Control Data/Ceridian Retirees Club.

MEMBERSHIP DUES FOR 2021

Due to the COVID-19 pandemic, our activities for 2020 have been non-existent. Therefore the Club will extend the Annual Membership dues through 2021. Members who have paid for a Guest Membership for 2020 will also be extended through calendar year 2021.

Any **NEW** members and **NEW** Guest memberships will still require a membership fee of \$10 for 2021.

We all hope for the end of COVID so the Club activities can return to normal!

Thinking of You

Happy Thanksgiving

Please continue to use the AARP Driver Safety On-line Course

Do you need to renew your Driver Safety certificate this year?
If the answer is yes, we have a deal for you.

We do not know when we will be able to offer the course in a classroom setting, so we are offering to subsidize the AARP on-line version for you.

Just take the course on-line and send us a copy of your certificate and you will receive an event gift card of \$20 that can be used for any club activity prior to 12/31/21.

The web site is www.aarpdriversafety.org and the promo code is DRIVINGSKILLS. At this point AARP is offering a 25% discount.

Note: You don't have to be an AARP member to take the course on-line.

As of today, we have had 26 that have taken the class and were mailed a \$20 gift certificate.

We have three free tables available (96" Long x 18" Wide).

Call our office 952-243-1750 or send us an email if you are interested.
