AARP Driver Safety On-line Course

Do you need to renew your Driver Safety certificate this year?

If the answer is yes, we have a deal for you.

We do not know when we will be able to offer the course in a classroom setting, so we are offering to subsidize the AARP on-line version for you.

Just take the course on-line and send us a copy of your certificate and you will receive an event gift card of \$20 that can be used any time prior to 12/31/21.

The web site is www.aarpdriversafety.org and the promo code is DRIVINGSKILLS. At this point AARP is offering a 25% discount.

Note: You don't have to be an AARP member to take the course on-line.

As of today, we have had 37 that have taken the class and were mailed a \$20 gift certificate.

Car Wash Certificates

The car wash certificates have ended.

We may be offering them again next fall.

FUTURE SHOWS & LUNCHESES

Your club needs your help.

For planning purposes, your board is considering when to restart in-person activities and events, like theaters and lunches. Please let us know what you think about attending, or mention when you would be ready to attend.

The picnic, the fall luncheon, and shows at the Masonic theater in Bloomington are just a few being considered. A two-month notice would be required to promote any event, so your opinion counts now.

Send us an email at Ceridian.Retirees@yahoo.com

Or write to us at 10800 Lyndale Avenue So, Suite 112, Bloomington, MN 55420

Or leave a message at 952-243-1750

We'd like to hear from you so we can plan for 2021 club activities.

How To Care For Cloth Face Masks

Do you know how to care for your cloth mask? Change your cloth mask whenever it gets dirty or at least daily, then wash. Include your mask with your regular laundry. Use your normal laundry detergent and settings recommended for the fabric. Completely dry your mask on a warm or hot setting.

A cloth mask can be washed by hand if you're not ready to do a full load of laundry. Hand wash your mask with tap water and laundry detergent or soap. Rinse thoroughly with clean water to remove all detergent or soap.

If you are using a disposable mask, throw it away after wearing it once. Use a proper waste can for disposal. Be sure to wash your hands before and after mask use.

Visa Cards

If you ordered a Visa Gift Card offered in the February Newsletter, it will be mailed out on March 12th.
