AARP Driver Safety On-line Course

Do you need to renew your Driver Safety certificate this year?

If the answer is yes, we have a deal for you.

We do not know when we will be able to offer the course in a classroom setting, so we are offering to subsidize the AARP on-line version for you.

Just take the course on-line and send us a copy of your certificate and you will receive an event gift card of \$20 that can be used any time prior to 12/31/21.

The web site is www.aarpdriversafety.org and the promo code is DRIVINGSKILLS. At this point AARP is offering a 25% discount.

Note: You don't have to be an AARP member to take the course on-line.

WATCH FOR NEW EVENTS

Continue to suggest new events, seminar subjects and speakers, shows, one-day trips, etc. When the event schedule has the day/date/time open and the costs are within the club's budget, we will try to schedule your suggested event. Send your suggestion to the club office. A three month notice will help us promote new events. We are always interested in what you would like to see.

Thanks!
