RULES, REGULATIONS AND BENEFITS - Page 2

- Activity announcements and reservation forms appear in the Club's monthly newsletter. The activity announcement will describe the activity, per person cost, date, time and location. The announcement will state the reservation cutoff date, when tickets are scheduled to be mailed and when the cancellation notice must be received. If a cancellation is received in time, the check is not returned and will be destroyed. The Club does not confirm reservations. If an event is oversold, the Activity Coordinator will notify the member. The Club will obtain additional tickets if available and if the budget allows.
- Checks for activities are not cashed until the event has occurred. The exception would be for overnight trips or when future scheduled activities require early payment.

BENEFITS

- Receive the monthly newsletter, which communicates the activities and seminars that are being offered by the Club, including program, date, time, location and cost. The newsletter is available via U.S. Mail or electronic distribution. The electronic version is timelier and enhanced with color.
- Receive discount of the cost of the activity, maximum of \$50.00 per person per activity.
